

2020 Summer Flagg-Rochelle Public Library

Join our new online
Summer Reading
Program for ALL
ages. Keep track of
your reading
through the summer.

Summer is different this year. We won't be meeting for programming, but we still want everyone reading. You will need to register for a READsquared account, then keep track of everything you are reading. We'll keep in touch with you through the summer as we develop more for you to do as you read. Sign up at <http://flaggrochelle.readsquared.com> or by emailing Miss Connie at ConnieA@flaggrochellepubliclibrary.org.

Registration begins June 29.

Program runs July 1-August 14
